

(Bolivicereus X Akersia) X Flying Saucer

Beitrag von „matteo2g“ vom 22. Juli 2011, 17:53

Danke!

Walter yes the flowers is not THAT big but if the motherplant is really a cross between Bolivicereus and Akersia.. it's amazing!

Aless I'll take a picture of the plants and the other samlingen from the same cross. I bought them with an auktion from Goetz, if I remember!

bye!
