Introduction - New member

Beitrag von "Pieks" vom 29. August 2019, 00:59

Sorry Bruce,

for not welcoming you warmly as you deserved it last autumn.

Thank you for your detailed introduction. I guess your breeding-hobby made a large step forward in the last year and there are "some more" plants in your greenhouse now than just the complete Schick-brigade.

I'm looking forward to seeing you in Regensburg!

Cheers,

Tim
