Hello Matteo,

it's really amazing that you cultivate all those big plants together in a large pot. 🤖

(È incredibile que coltivi tutti i planti grandi insieme in un vaso da fiori.;) - Mi piace di esercitare la tua lingua.)

Cari saluti

Ciao Elke, parli molto bene italiano!

yes I often keep many plants together mainly for a matter of space. as regards these plants actually they are going to be repotted soon, probably altogether in a larger pot!

ciao!!
