

Wer hat sie jünger?

Beitrag von „matteo2g“ vom 8. September 2011, 01:33

hi Volgan, as i told you I am really impressed that it takes to you one year from seed to bloom!
even if this is the most precocious seedling of the entire sowing, it is a great result!

If possible write a summary in English or French next time, it'll be easier.. online translator
sucks!

bonne nuit!
