

Ständige Fehlermeldung zu "unsicherer Verbindung"

Beitrag von „Andreas75“ vom 15. März 2021, 23:37

Ah, ok, thank you for this information. This is the whole problem?

I ask because it works before very well for me. It is only since the last, i would say, December to January, that this error message occurs. I 've changed nothing on my software.

Saluti,

Andreas
