

TH Florence by Andrea Randazzo

Beitrag von „matteo2g“ vom 6. November 2022, 17:51

yes in this case Chaetzelein could well be one of the parents, so yes Wörlitz is involved! Andrea does not record the crosses and he himself says he's not good at remembering names, he also has the problem that many labels fly away by the wind or are stolen by birds.

I do not own Liskes Chaetzelein so I cannot appreciate the difference, nonetheless I like Florence a lot!
