My brief introduction

Beitrag von "Qiyanwei" vom 21. Februar 2013, 07:31

Hello everybody,

Thank you very much, thanks for your friendly.

I'm male. I live in Hebei Province, it is close from Beijing.

I have seen a lot of beautiful blooms of the TH-hybrids and the EH-hybrids in the Hybridenforum these days. I have not seen them in my country. You are very advanced and very professional. I really like here.

Best Regards Qi yanwei
