Hello Qi Yanwei,

welcome to this forum. I'm sure, you'll have much joy here.

Do you know Tong ZhiWei? He also lives in the Hebei Province, and I sent him seeds of Lobivia- and Echinopsis-crossings. Unfortunately, the first shipment took more than one month to be delivered, and for the second shipment, I don't have a feedback of arrival till today.

So enjoy the communication here, it is much faster than the postal way. 😊
