

# Das bin ich...

**Beitrag von „Qiyawei“ vom 29. Juli 2013, 03:10**

Hi Nina,

Your and my situation is quite different, you can maybe easily buy your favorite plants.

But I can not do like you, I can only enjoy some beautiful pictures of flowers, I can not get them, I'm upset about this. My place is far from

Germany, so I find it difficult to buy some favorite plants. 😞

But I have been trying.:D

Best regards from China

Qiyawei
