

MEX.2009.160 Touch Down x Kleopatra

Beitrag von „matteo2g“ vom 25. September 2013, 10:39

Hallo Wladi!

the Säm. Nr.10 has particular shape, interesting! yet my favourites are Säm. Nr.1&4.

what is really nice to notice is also that many flowers gained 2-4 cm from first to second bloom (like Säm. Nr.1,2,6)

many greetings

matteo
