

Echinocereus Hybride Hörger F2 SAP.1

Beitrag von „Bravo-CLIA“ vom 28. März 2014, 02:10

Hello Sascha

The flower you showed us is wonderful! How tall him is?

Hello Sabine

The photo 1 you posted I think there are many E.lloydii hybrid, maybe their parents is E.pectinatus and E.dasyacanthus

And picture 2 is great flower, very nice hybrid!

Best Regards

Yunhan Zheng
