Hello Siegfried

I guess you got a breeder code (Züchterkürzel),
but you need to PN Markus for letting him set your code shown,
if not, no one can see that.

There is a Siegfried(SVA) in the AG, he is in Belgium,
so it might caused some confusion.

Anyway, the greenhouse is great, looks nice.

But your Avatar amazed me very much, firstly I thought
there are newer Chinese join there

Best Regards
