

# Pflanzgranulat

**Beitrag von „Elisalisa“ vom 7. Januar 2018, 18:41**

Thank you very much for yours messages and precious advices 😊  
and Thank you Karl for your message on my profil , I sent an answer but do not know if she left  
😄

as for this mixture I will test I already use some of these ingrediants ordered in Germany  
already because I have never found all these colors and textures of materials here in France ...  
thank you again it's great 😊 and I note your information preciously too;)
