

meine hybriden 2010

Beitrag von „kaktussnake“ vom 11. Dezember 2010, 21:07

hallo matteo

it's a own cultivation, named "struwelpeter"

also look here: <http://picasaweb.google.com/kaktusy62/DasHasslicheEntlein>

it's the same plant last year- the first flowers in spring - the last in autumn.

this year it was near the same. the first 11 pictures are the same 2 plants - 1 picture is wrong.
