Hello. My name is Massimo. I am a passionate hybridizer of Trichocereus and Lobivie. I've been in this forum for a while but you could only read and not write and not even publish. my breeding code is MBT and I am not a member of any club or organization. I'm italian.

Hi Massimo, welcome to the Forum 😊

We are a pretty international bunch of breeders, so you will fit right in. Have fun!

Best wishes,

Tim
