Can now see the pictures? 🙄

Beitrag von „Kaktus25“ vom 9. Mai 2013, 07:54

Hello,

Yes, we can see the photos. These are wonderful blossoms. With me this plant blossoms this year for the first time.

Sabine 🙄

Beitrag von „Rainer“ vom 9. Mai 2013, 10:49

Hello to China,
wonderful flowers and fotos. You make crossing with ?

Best regards
Rainer

Beitrag von „BernhardA“ vom 9. Mai 2013, 12:03

Thanks!
Now I can see them.
Nice Plant and wonderull flowers!

Cheers
Bernhard

Hello

Compliment, even if you should not be the first person in China (who knows by a population of more than a billion?) the Flying Saucer shows its flowers.

It seems the Flying Saucer is progated twice, is this right? On what is it progated?
