

New Trichocereus hybrids

Beitrag von „wuyexiao01“ vom 20. August 2017, 22:29

The seedlings grow up after the flowering, these are eliminated after the remaining.:)

Hello Wuyexiao,

thanks for showing us these beauties! Especially no.5 has a beautiful play of colours.
Wonderful to see.

Kind regards,

Donna

Excellent flowers. Thanks for showing.
It would be more informative to add the parents of these plants.
